No taxes are included for orders outside the EU. Import taxes may be applied upon arrival, based on country laws. Customers with shipping addresses outside the EU are responsible for all duties, import taxes and brokerage fees.

You can check the list of common [customs charges on our Knowledge Base](#). Keep in mind, that charges in the table are only estimates - real charges may differ.

Please be informed, that all payment fees, such as currency transfer or bank fees, are to be covered by the customer.
